Life Floats

Life Floats

1200 Series Life Float - available in 8, 10, 12, 15 and 22 man capacity.

Check these exclusive JIM BUOY features:

- *Tough resilient vinyl surface - easily boarded, comfortable in the water - no hard surfaces.
- *Light weight yet easily exceeds the most serve U.S.C.G. tests. Ease of handling is one of the most valued features.
- *Less storage space required for equal raft capacity; compare dimensions ----- you'll be amazed!
- *No exposed metal hardware - all beackets secured inside the float body.
- *Double webbing, sunlight or weather never reaches supporting beackets.
- *Solid closed-cell plastic throughouts; bullet holes would have only a minimal effect on buoyancy. Will not rot or mildew.
