Gator Towing Shackle

AVAILABLE IN 45 AND 65 METRIC TON

GATOR "PIN" FORGED OVAL/FLAT PIN MARINE TOWING SHACKLE

Our Gator "Pin" Towing Shackle is designed to be used in the offshore towing industry. These shackles have a flat pin for ease of connecting. We offer the Gator "Pin" Towing Shackle in two sizes; 45 Metric Ton (49.5 US Tons) and 65 Metric Ton (71.5 US Tons). These sizes are designed to accommodate synthetic shock lines up to 16" circ. OUR GATOR "PIN" TOWING SHACKLES ARE ABS CERTIFIED/APPROVED WITH CERTIFICATION PAPERS ISSUED ON EVERY GATOR "PIN" TOWING SHACKLE WE SELL. CONTACT GATOR SUPPLY FOR FURTHER INFORMATION.
